Sam Conran (b.1989) aka Orbs Asunder (UK) is a Sound Artist, hardware hacker and Composer of Electro Acoustic music based in Leipzig, Saxony. Asunder's output is a hybrid of procedural based computer music and live electronics with performative highlights @ Moogfest 2016, ACT Korea 2015, as well as a commissioned tour of stone circles in Redruth as for Inland Festival 2016. Asunder was nominated for the Ars Electronica STARTS prize in 2016 and given Jerwood Foundation young composers commission by Resonance FM Extra in 2016.
